. . DEDICATION

THE AKLAN of 1946 is dedicated to a man who has been a member of the Acalanes faculty since the founding of our school six years ago. As instructor, boys' counselor, vice-principal, and advisor to student activities, he has served the school capably; won the respect and friendship of all the students with whom he has worked; and given generously of his time and effort at assemblies and athletic events. In his guidance of the Student Council and Boys' Federation he has helped build up the organization and spirit of our school. He corresponds with many of the former students, both in and out of the service. It is, therefore, with real pleasure and pride that we dedicate the AKLAN of 1946 to Stanley W. Walgren.

In early February, Acalanes saw the last of one of its best and most popular teachers. After teaching at Acalanes for nearly four years, Mr. Thomas Murney left to assume a position at San Francisco Junior College. He taught mathematics, science, and mechanical drawing. In all his classes he caught the imagination and humor of all of his students, and it is with much regret and many good wishes that the students say goodbye to a good friend and top-notch instructor.

SENIORS

THE Senior Class of 1946 has had a very busy year. Their Senior Extra in February was a big hit, and two green-heads did show up. The next outstanding event was the Senior Play, a highly successful performance of "You Can't Take It With You."

The annual Senior Ball, a formal affair, will long be remembered for its exotic theme of the Arabian Nights. The annual Senior Picnic was the terminating event before their graduation, and the members of the senior class had a most enjoyable time.

SOPHOMORES

THE big social event on the Sophomore Class calendar was the Sweetheart Dance. The theme was romantic, and it was highly successful among the early dances of the year.

FRESHMEN

ACCORDING to one of the teachers, this year's Freshman Class is one of the most active in three or four years. Freshman students have taken a real interest in school activities and student body organization.

The boys went out whole-heartedly for all sports, and the girls did much to help produce original entertainment for school programs.

AKLAN

IN conjunction with their policy to produce a yearbook depicting the school year in pictures and prose, members of the AKLAN staff have devoted much time and effort to the production of the 1946 AKLAN. This year local business men were given a chance to patronize the school yearbook by a new and different method; full-page display advertisements are included in this book, thereby making possible the addition of eight pages of pictures and features.

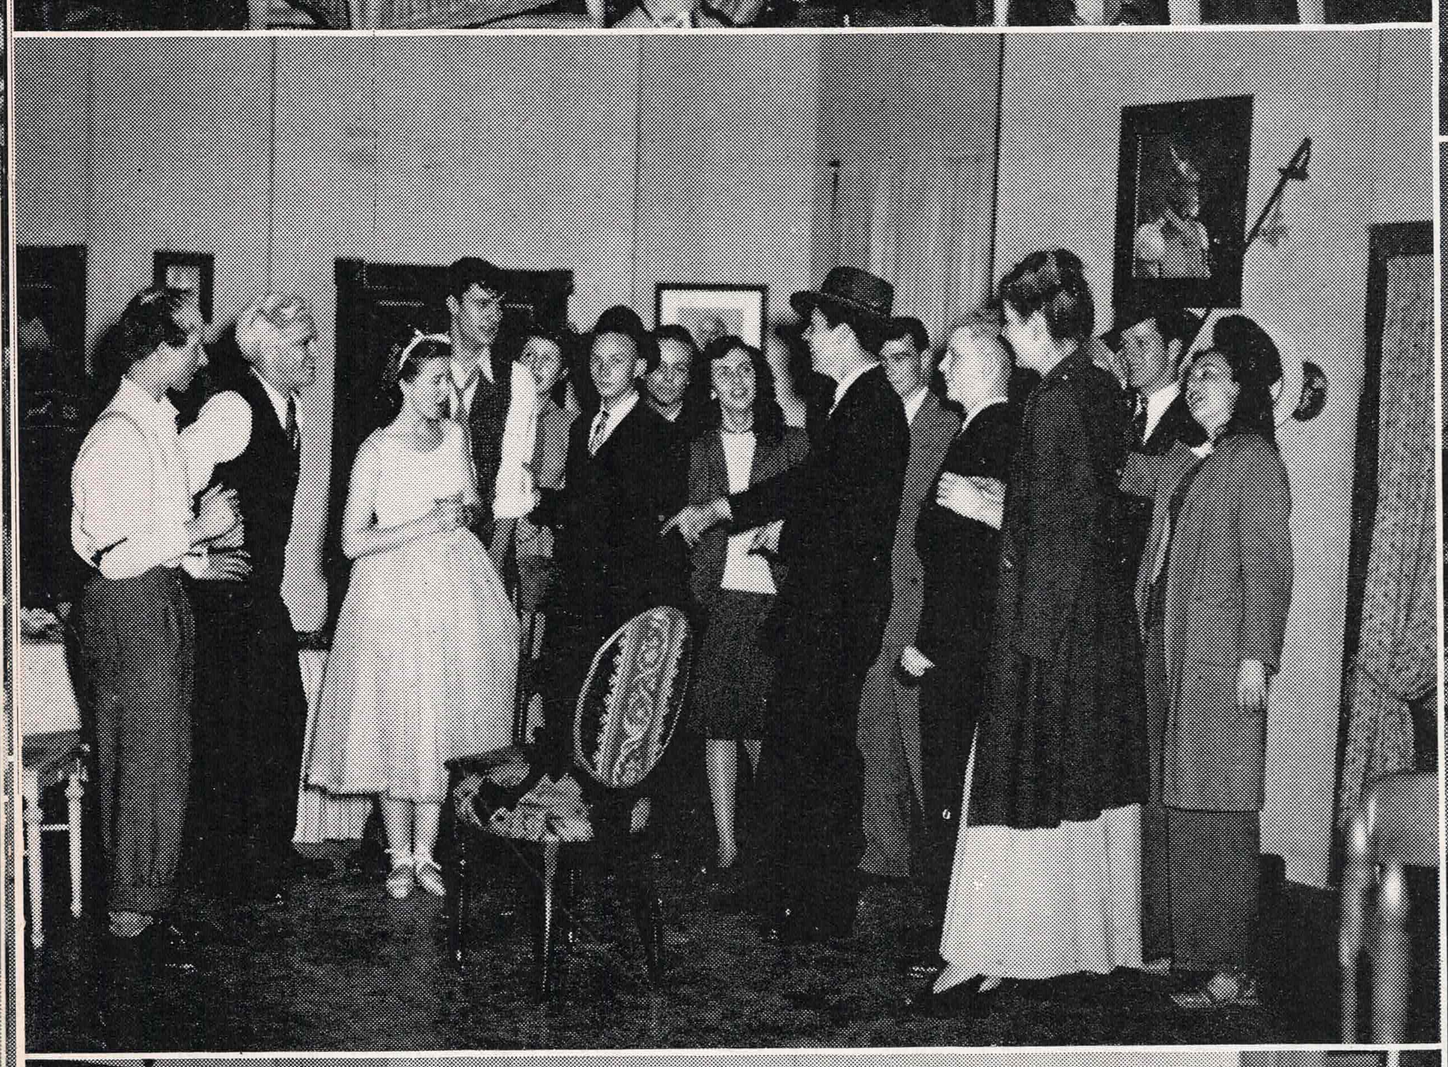
H. McLean, editor; Miss Fisher, advisor; C. Goodale, city editor.

UNDER the competent advisorship of Miss Beverly Fisher, Acalanes' bi-weekly paper, the BLUEPRINT, made many improvements this year. For the first time every edition of the year was printed instead of being mimeographed.

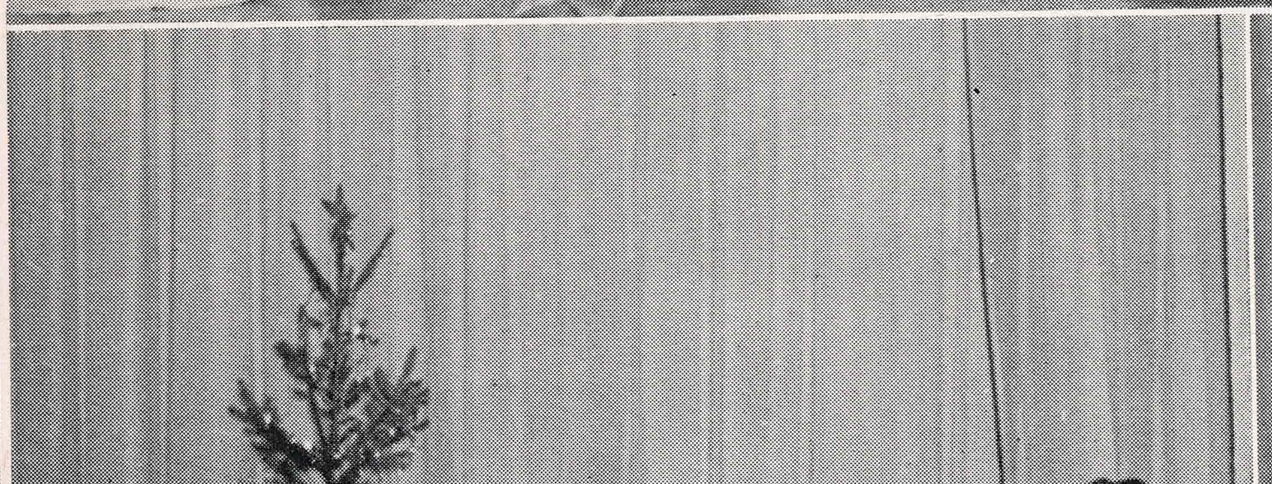
The BLUEPRINT is assuming an ever-increasing importance in Acalanes high school life. Through the efforts of its staff and advisor, students are informed about athletic events, entertained by school personalities, and stimulated by editorial comment.

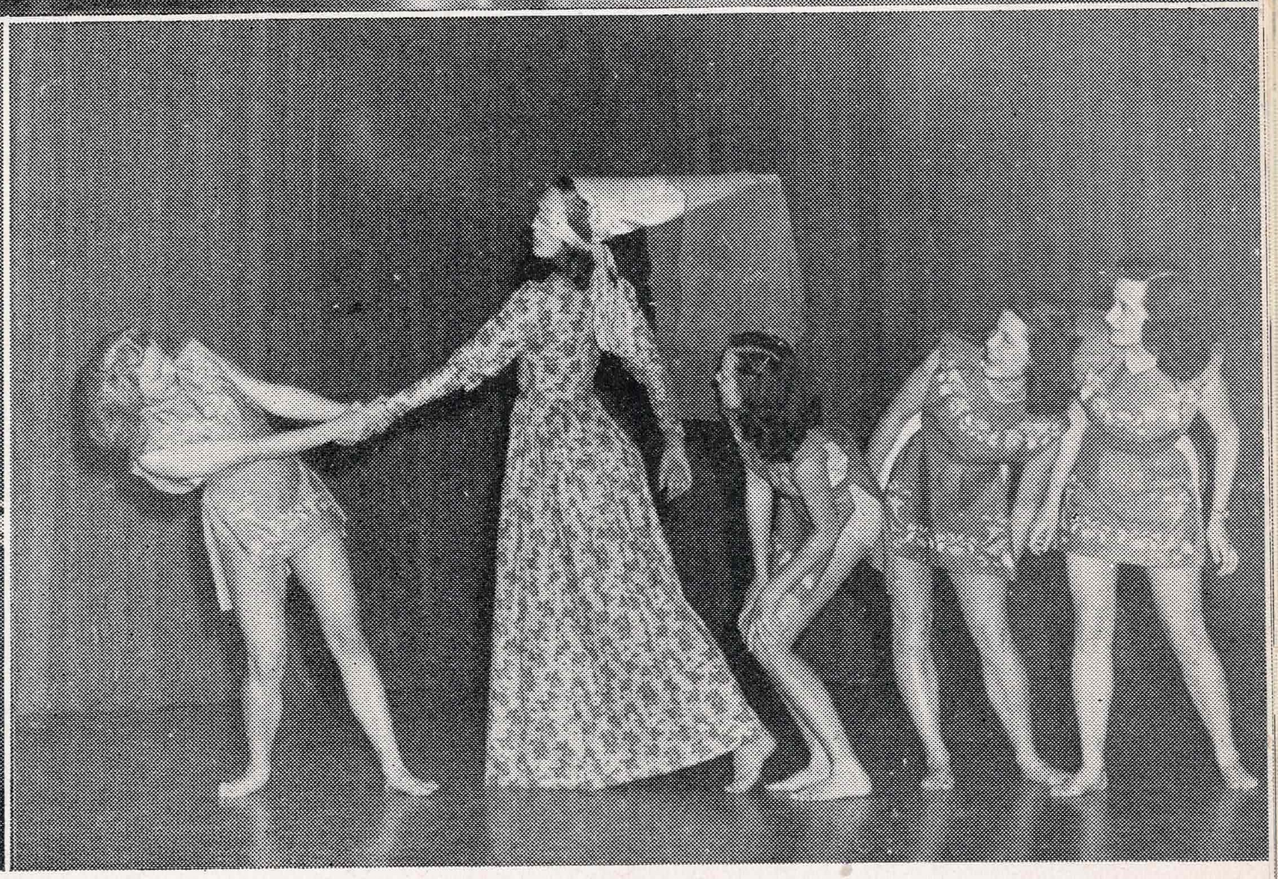


DRAMA

DURING the first semester, with Mrs. Joan Phillips as director, the Club produced "Gabriel, Blow Your Horn." As a part of the exchange assembly with Alhambra High School, a small cast under Mrs. Sheila Pedersen offered "The Red Carnation."

THE major production of the second semester was the Senior play, "You Can't Take It With You," a highly successful presentation of the Broadway comedy. The last quarter was devoted to the study and performance of one-act plays.





MODERN DANCE

AT Christmas time, the Modern Dance group presented as their gift to the community, Grimm's fairy-tale "The Little Match Girl." For the open house program they interpreted a number of jewish folk-songs and negro spirituals, some dances from "Oklahoma," and a "Parade of Technique." They wound up an eventful year with Tschaikowsky's "Sleeping Beauty" ballet at the spring festival of music and dance. To the direction and instruction of Miss Millicent Hamburger, the group owes much of its success.

BLOCK "A"

BLOCK A, the school athletic society, consists of boys who have made varsity letters in major sports. This year the Block A sold windshield stickers to raise money and also conducted its usual initiations.

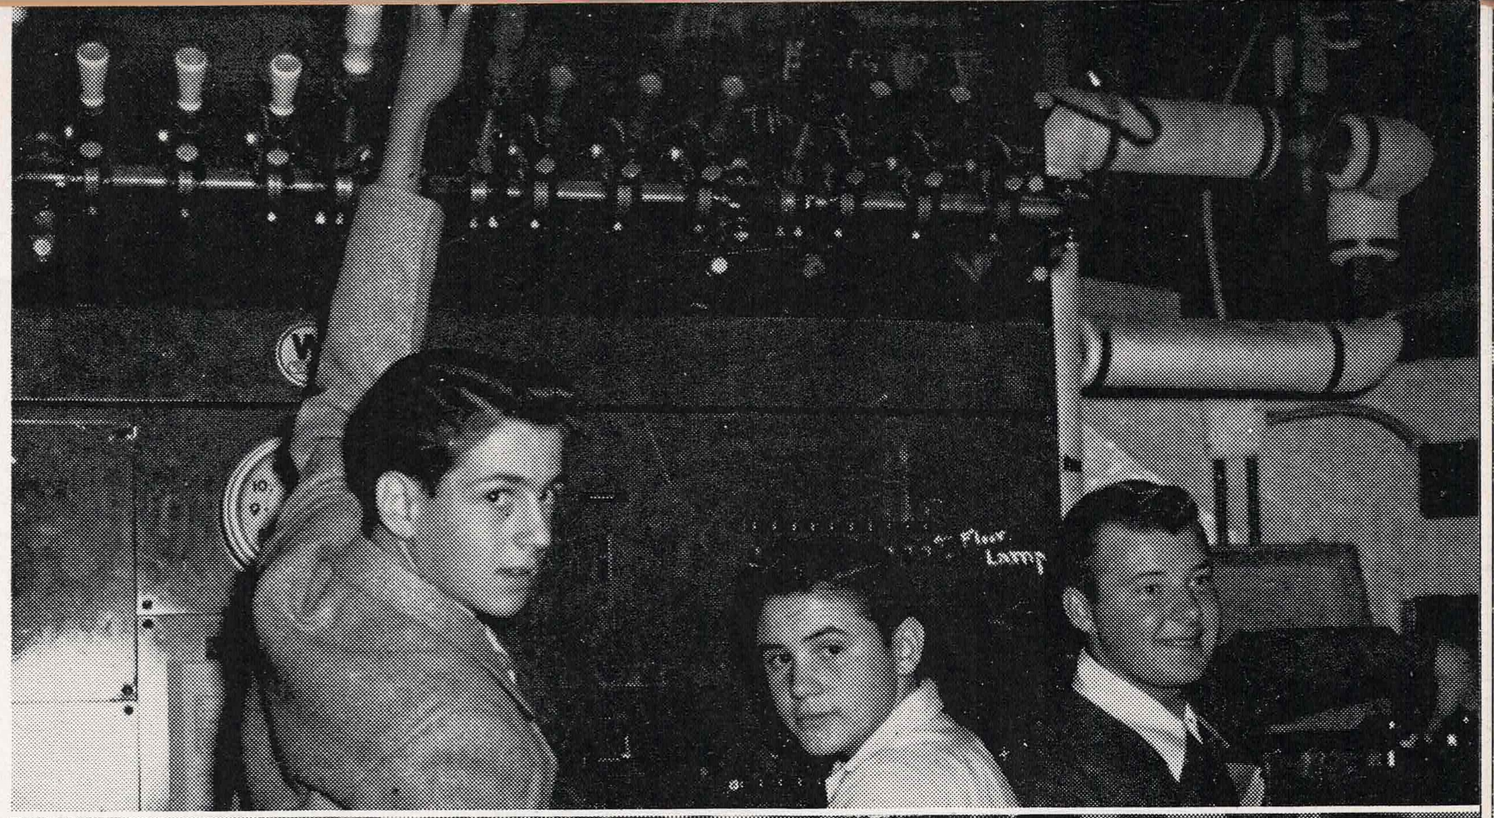
MUSIC APPRECIATION activity, under the direction of Mrs. Ruth Stanley, seeks to increase understanding of different types of music.

MISS VERA RICHARDSON'S special art activity received instruction in the fundamentals of arts and crafts.

THE STAGE CREW, a little-heard-of group, deserves much credit for its skillful execution of humdrum operations backstage.



IN the Homemaking Club activity, supervised by Mrs. Helen Williamson, girls learn the fundamentals of cooking and sewing and gain practical experience along these lines.

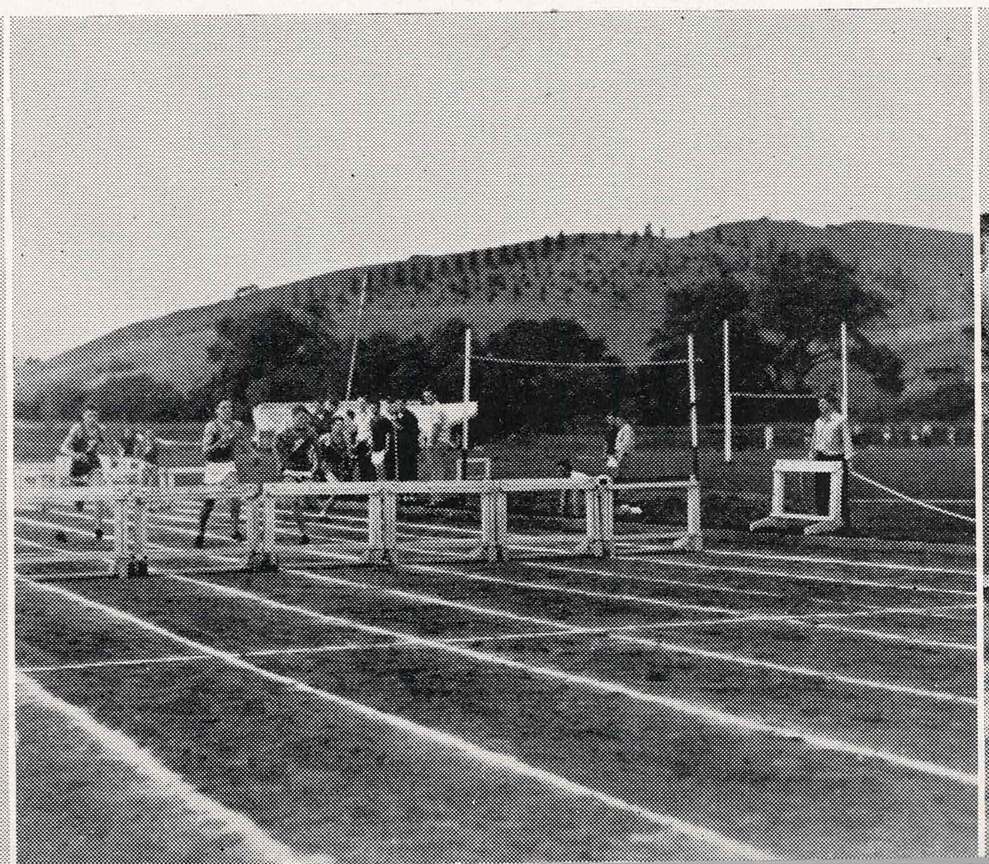
"A" TRACK

THE Acalanes "A" track team entered the county meet at Alhambra with a record about equal to that of Diablo and unequalled by any other school team in the county. New school records had been set in the relay (time, 1:36.5) by Dick Carnes, Harold Hunt, Bill Rupp, and Budd Miller; in the mile run (time 4:54.8) by Russell Bates; and in the discus throw (distance, 125 feet) by Ed Bill. The hundred-yard dash record (time, 10.4) had been tied by Bill Rupp.

Some of the outstanding boys of the season were Bill Rupp (hurdles and sprints), Wayne LaVelle (shot put and discus), Ed Bill (discus), Russell Bates (mile run), and Bob Field (880-yard run).

COACH EATON



BACK ROW: K. Erickson, C. Squires, G. Sandy, R. Sodaro, B. Neiswonger, P. Chapman, B. Hardy, G. Little, J. Ravazza, F. Clark. MIDDLE ROW: Coach Lord, C. Straub, E. Davies, N. East, B. Johnson, J. Tofflemire, L. Thomas, B. Feagans, B. Moorish, P. Wilkin, W. Mason. FRONT ROW: S. Epstein, B. Green, D. Tiernan, D. Goodrich, D. Long, W. Cianfichi.

"B" TRACK

THE Acalanes "B" track team entered the county meet rated above any other team in the county. There were many outstanding boys, including Phil Chapman, Pete Wilkins, Roger Sodaro, and the following record-makers:

Stanley Epstein, 150-yard dash (time, 16.4); Buford Feagans, 75-yard dash (time, 8.2), broad jump (distance, 18′ 6¾″); Lonnie Thomas, 330-yard dash (time, 38.9); Bruce Harding, discus throw; Carter Squires, 1320-yard run (time, 3:42); relay team: Lonnie Thomas, Bill Morrish, John Tofflemire, and Stanley Epstein, 440-yard relay (time, 48.3).

BACK ROW: J. Huovinen, B. Piona, J. Cosso, B. Nelson, B. Strickland, D. Ryan, D. Ferrarese, Coach Mattson, G. Kallas. MIDDLE ROW: L. Smith, A. Jarvis, L. Jarvis, R. McKeown, J. Mozzetti, J. Mallary, L. McKim, B. Collins. FRONT ROW: R. Vander Heuval, C. Reed, A. White, J. Curry, H. Goodrich, L. Johnson, H. Cohn.

BASEBALL

THE Acalanes baseball team had a turnout of fifty-two players. They have played some fine ball with perhaps their outstanding performance being a 1-0 victory over the powerful Berkeley nine. Ferrarese on the mound held them to three scattered hits.

The regular starting lineup for the majority of games was as follows: Don Ryan, catcher; Don Ferrarese, pitcher; Benny Strickland, first base; Bill Piona and Andrew Jarvis, second; Howard Goodrich, shortstop; John Cosso and Claude Bolendar, third base; Clarence Reed, left field; Robin McKeown, center; and Bernie Nelson, right field.

Lou McKim and Roy Van der Heuval (a freshman) have also performed well on the mound. Arthur Johnson and Hal Cohn are freshman prospects who should develop into regulars. George Kallas relieved Ryan at catching, and John Mozzetti played as a general utility man while John Huovinen was relieving Bennie Strickland at the initial sack.

Next year should find the Dons with a strong club, as only Don Ryan and Clarence Reed will be lost due to graduation.

Ryan at the bat has been a consistent hitter and will be sorely missed.

ACALANES GAA has had an active year under the direction of an excellent president and cabinet. A county swimming meet was the initial event. It was followed by three "home" basketball playdays each with another high school GAA. The first interschool square dance to be held in this county was organized by Acalanes. Richmond, El Cerrito, and Diablo each brought demonstrating squares, and the seventy-two girls who attended enjoyed exchanging dances and having lunch together. Acalanes girls attended two basketball afternoons and a county playday at Diablo. They participated with other schools of the county in a volleyball playday at Richmond. Badminton and basketball tournaments have provided active competition within the GAA. Softball, swimming, tumbling, and dance have been the period activities.

N. Newbury, treasurer; B. Lindquist, vice-president; C. Harmon, president; M. Green, secretary.
